In addition to the ordinary pressutious, adopted it is now as near to the centre as any part; THE HONGKONG AND SHANGHAI of stationing mon in the vicinity of burial of the empire. The 10,000 versts that separate g ound all over the island, to extinguish fires us from the capital will have been abridged by which may occur at the spring and autumn tomb the journey of your Highness more than the peremonies, to post during those seasons notices cautioning the people to exercise care in the use of crackers, candles, &c., and to increase the number and extent of fire barriers in plantations mear large cometeries, so that the plantations will be divided up into smaller blocks, to which fires that may arise within them may be confined Nothing connected with the origin of grass fires or of objects to be gained by them is known which might occasion any suspicion that they may have been acts of incendiarism.

Thinking of Plantations and removal of Brush wood.-The brushwood in various places near the town or adjacent to reads where it had be come some what dense was operated on throughout the year and about 1,200 picula were removed and sold, the purchaser doing the work at his own cost and paying besides a small sum for the material

Trees in streets and roads were systematical pruned and reduced to shape and to suitable dimensions, the prunings being likewise sold This work, howev r, unlike the removal of the brushwood, can only be performed by foresters who have some acquaintance with the proper way of doing the work.

Plantations in the western districts, and near to Bowen and Kennedy Roads, in which the trees bad attained sizes when germanent trees would be injured by having others growing too near them, were thinned after the trees were marked by foresters, by the contractor who bought the thinnings. Upwards of 16,000 trees were thus removed and sold The revenue obtained from the sale of forestry

products was \$547.34. Plantations should be thinged, as a rule, when they are about 10 years old, and as this is the eleventh year since planting was begun on a large scale, the plantations will demand ach London. year honceforth very considerable extranttention to their requirements, which, as I have said above, it will be difficult or impossible to give with the present overworked staff unless some other things which should be carried on

simultaneously are permitted to suffer. Burial Grounds.—The hygienic treatment burial grounds being under the consideration of the Government, it may serve a useful purpose to keep in prominent view the imvegetation should occupy in any scheme that may be devised for sanitary or sesthetic improvements of the cometeries of the Colony.

The action of the roots of plants being convertinto health giving, living, vegetable matter the decomposing animal and vegetable substances of the soil, and the functions of the leaves of plants being to absorb injurious-mases which emanate from the soil, there can be no doubt that provision should be made for the oucouragement of the growth of vegetation in the form of tree, shrabs, and grass-turf around and within all burish grounds.

In 1976 I planted the old Chinese cometery near Belohor's Bay, and since that time I have planted lan is wherever practicable close up to the boundaries of cometeries, but on account of some real or imaginary objection of the Chinese to trees being planted within the grave-yards nons have been placed there since 1876. However, if proper places could be found for trees, about 18 hours. As is usual it brought more or | nor at any future time, nor in this or in ony there would probably not be even sentimental objections to the n. Therefore in any contemplated improvements or extensions of cemeteries it would seem most desirable to include in the schemes due provision for the introduction of trees, &c., which might serve the double purpose fields, though, have already been planted in beans; yet found the necessity for doing so, and I asof assimilating unhealthy-matter and of soremening the grounds from view from without their ed of.

THE CZAREWITCH'S DOINGS IN VLADIVOSTOCK.

- VL (DIVOSTOCK, June. An American correspondent writes as follows to the Daily News :-I had timed my visit to the Maritime , Em porium of East Siberia so as to find it on fêle and to assist at the reception of the Czarowitch, but the atrocious attempt on his life made in Japan hastened his departure from that country. and hence when I lauded he had arrived and doparted; yet the account given by the Vladivostock, supplemented by what I have been told by actors in the ceremonies, will afford glimpses of the proceedings which form an enoch in the histo y of Asiatic Enssia. BANK IN. MANILA.

At the sitting of the Madrid Congress (Deputies) on June 13 Mr. Govantes said :-The London and China Express-a newspaper published in London, which gives a resume of the important news of the week relating to the undoubtedly of interest to that movemble community, but also of great interest to all those who have any raspect for the good name of the Spanish notion, as the said newspaper makes such statements which, if they were not absolute-Itis Holiness to consecrate the rails and in the London and China Express on June 5.

that my country is very near to my heart and diplomatic request, as in the matters under the that I aim at its development. Your loving jurisdiction of the Courts of Justice the Government have never had to interfere. This is a request, not a question; as such a question is therefore a simple request which I bog address to the said Honourable Secretary of State Chinese Loan 86 E. Th. 250 Ths. 2771 for the Colonies to contradict, if he so pleases, Cruickshank & Co.... the aforesaid statement. It is of the greatest Dairy Farm Co. importance to contradict the before mentioned Fenwick & Co., Geo. paragraph because the statements contained Gordon & Co. A. G ... The much needed rainy season has come with therein coincide with the suspension of the Judge Green Island Comont vengeance. Yesterday afternoon, during a who was in charge of the coses in Manila by H. Brick & Coment. tromendous thunderstorm, a bouse in the south | the temporary President of the Courts of Manils, H. & C. Bakery It is further necessary that no person, either Judges or otherwise, may think that the independ. ence of the Courts of Justice is limited in any way, and still less so in a country like the respectable. The head of it is an expectant offi- Philippine Islands, where the judicial authorities are the only protection to all the inhabitants. The Minister for the Colonies replied as Hotelshas done me justice in bolieving beforehand that Boldiers are still staying at some of the chapels, I have fulfilled my duties this time, which, happily guarding the premises. The city is quiet. in the present instance, it is easy to appreciate. There is, as it appears, for I have no other than Wusieh had been closed for an entire day. The private information, a very complicated and imthat I have been applied to about this litigation; but I have always replied that as a Minister I could not interfere in this business in any way whatever, because the Courts of Justice have their own and exclusive powers, and they alone We had a very heavy rain yesterday and the saud nobody else could and should decide disnight before nearly 8 inches of water falling in putes of this description. I shall neither now, less diseater to many native houses, and the other case, as a member of the Government, influence the Courts to decide in civil or original It was a much needed rain to the farmers, and actions. If necessary, I will only recommend to they are to-day busily engaged in setting out the Court and the Judges to be firm in the fultheir belated rice. About half of the usual rice filment of their duties; but happily I have not sufficient rain for a rice crop having been despair. sure both Spaniards and foreigners that I shall never interfers in any litigation pending before The examination of the two supposed Kolso any Court of Justice. This is my raply, which Hui men, whose arrest you have noticed, has not includes the most emphatic contradiction to the statements contained in the said newspaper which Mr. Govantes has read. I must only add that it is true I have received forty-eight hours since a telegram in which the anting Governor of the Philippines, in the absence of the Governor-General, who is in Mindanao, informing me that Mr. Justice Castro has been suspended, and as this could be done by the President of the Court in virtue of the powers vested in him, I am now awaiting his written explanation. riot has been imminent. Last night (Sanday) and still further, in view of the circumstances of the case at present, I decline to make denly filled with soldiers, who said that their any inquiries why the said Justice has been suspended. I have not sent, nor do I intend to
